TRANSPORTATION

In 2020, San Antonio’s transportation system is recognized as a model of efficiency and environmental sustainability. San Antonio is served by an environmentally-friendly transportation system where everyone is able to walk, ride, drive or wheel in a safe, convenient, and affordable manner to their desired destinations. Frequent and reliable mass transit services connect communities, and transportation infrastructure meets community needs.

- Walk to more to meetings.
- Ride a bike to work or school.
- Incentivize public transit at your company.
- Get a membership to San Antonio B-Cycle.
- Advocate for ADA-compliant infrastructure such as curb ramps, unobstructed sidewalks, and crossings.
